Securitas Ireland security professionals work in conjunction with your management to develop customised loss prevention programs which help you, the retailer identify how the losses are occurring, minimise the exposure to loss and to deter and detect suspected perpetrators.

Securitas Ireland fully understands that retailers incur losses in a variety of ways: (1) internal theft - employees, (2) external theft - shoplifting, (3) paperwork - incorrect documentation. Our specialised retail and loss prevention security officers, supervisors and assigned managers are dedicated and highly trained to deliver you retail security of the highest level.

Securitas Ireland is fully committed to the advancement of security in retail environments. We have invested significant resources to provide our customers with Retail Security Professionals who understand the specialised needs of your industry and they consistently perform to the highest standards, delivering specialised retail security services to you so you can deliver to your customers.
