Security Guarding Services

Securitas provides specialised guarding delivering solutions to a range of businesses, such as financial services, retail, the public sector, facilities management and transport & aviation.

The solutions and services are customised to each site and situation based on the individual customer's needs and requirements. The service offering provided by security officers ranges from access control, receptionists, customer care officers and help desk support, to total security solutions. So, whether your business is a small retail outlet, an out-of-town shopping centre or a distribution centre, Securitas has the solution for you.

Securitas fully adheres to the Private Security Authority (PSA) standards and operates with only fully licensed, trained and fully 10-year screened vetted security staff.

Because Securitas Ireland is a customer service focused organisation, we thoroughly screen and train our officers in full compliance with Irish laws and we ensure that our managers and supervisors provide responsive and thorough account service to you.
