

Corporate Risk Management Overview

Offering a full range of risk mitigating solutions, Pinkerton provides the trusted expertise you seek to protect every facet of your company.

A Comprehensive Array of Fully-Customizable Risk Solutions

Whether your challenges come from disgruntled employees, aggressive competitors or impactful world events, you have questions: How will this affect my company? What should we be doing to protect ourselves? How do we mitigate risk in the future? Pinkerton delivers the solutions you want and the trusted expertise you need.

Investigations

Pinkerton made its name more than 160 years ago conducting complex investigations for our clients. We continue to provide complete investigative services for clients across the globe to solve problems as wide-ranging as theft, fraud, internal and external corruption, drug use in the workplace, embezzlement, conflict of interest, kickbacks and other issues impacting the work environment and the bottom line.

- Physical Surveillance
- Undercover Operations
- Due Diligence
- Internal/External Corruption (embezzlement, conflict of interest, kickbacks)
- Professional Interviewing
- Forensic Accounting
- Cyber Investigations
- Technical Surveillance Counter Measures (TSCM) or “de-bugging”
